## Prince William Half Marathon Bristow, VA

---

**Virginia Green** is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations, and this profile provides a full list of all their "green" activities. These are the activities that guests / customers can expect to find when they visit this facility.

## Prince William Half Marathon

The race will start and end at Jiffy Lube Live in Bristow, VA.

We have been working closely with Prince William County's CVB - Discover Prince William. We are thrilled to commit to Virginia Green and look forward to communicating this to our 2,0000+ participants.

We will be recycling all runners water cups used along the race route.

### Virginia Green Activities

#### This facility pledges that they:

##### Recycle.

- Have in place clearly marked recycling locations and/or containers. Please check the items that visitors to your facility are able to recycle: (*minimum of 2 required*)
  - Aluminum cans
  - Plastic bottles
  - Paper
- Other actions taken related to recycling: Water cups

##### Minimize the use of disposable food service products.

- Use disposable food service items that are recyclable in your area

##### Printed Materials.

- Use electronic registration, correspondence, and forms instead of paper forms
- Print all documents double-sided

## Waste Reduction.

- Track overall solid waste costs (*required for Virginia Green*)
- Chose a **location/venue** that shares a similar commitment to reducing its environmental impacts and include green specifics in contracting. Please provide the "green details" on the venue:
- Provide condiments, cream and sugar, etc. in bulk
- Avoid box lunches and service trays/platters of food instead
- Encourage the use of mass-transit and/or carpooling to the event
- Provide for recycling of boxes and other set-up wastes
- Purchase from vendors and service providers with a commitment to the environment

## Green Signage.

- Have a link on our website to the Virginia Green Events webpage
- Have a green event section on our events webpage highlighting all of our green activities
- Use the Virginia Green logo on signs and on recycling containers
